Commissioner for Patents

Applicant's communication received on 2/14/07 indicated that copies of initialized 1449 forms from IDS submissions of June 9, 2004 and April 8, 2005 had not been received. The applicant provided duplicates of these forms for the examiner's convenience. The June 9, 2004 and April 8, 2005 IDS submission were previously considered by the examiner and scanned into the official record of this application. Copies of these documents are attached to this communication.

Any inquiry concerning this communication from the examiner should be directed to Anne Marie S. Wehbe, Ph.D., whose telephone number is (571) 272-0737. If the examiner is not available, the examiner's supervisor, Joseph Weitach, can be reached at (571) 272-0739. For all official communications, the new technology center fax number is (571) 273-8300. Please note that all official communications and responses sent by fax must be directed to the technology center fax number. For informal, non-official communications only, the examiner's direct fax number is (571) 273-0737. For any inquiry of a general nature, please call (571) 272-0547.

The applicant can also consult the USPTO's Patent Application Information Retrieval system (PAIR) on the internet for patent application status and history information, and for electronic images of applications. For questions or problems related to PAIR, please call the USPTO Patent Electronic Business Center (Patent EBC) toll free at 1-866-217-9197. Representatives are available daily from 6am to midnight (EST). When calling please have your application serial number or patent number available. For all other customer support, please call the USPTO call center (UCC) at 1-800-786-9199.
